## Scarface Rapper Albums

His solo debut, 1991's gangsta-rap classic *Mr Scarface Is Back*, established the 5th Ward word slinger as one of rap's most gifted storytellers.. Explore releases and tracks from Scarface at Discogs Shop for Vinyl, CDs and more from Scarface at the Discogs Marketplace.. Since then, 'Face has released a few classics, beginning in 1994 with the harrowing and deeply personal *The Diary*, which produced the excruciatingly vivid 'I Seen a Man Die.
